

LAUNCH EVENT

Connecting Children to Nature

April 25, 2010

1:00pm – 4:00pm

Royal Saskatchewan Museum

2445 Albert Street Regina, SK

Nature Saskatchewan and the Robert Bateman Get to Know Program are honoured to invite you to attend a special event to celebrate the launch of the 2010 Robert Bateman Get to Know Contest! The annual Get to Know Contest encourages youth to go outdoors, 'get to know' their wild neighbours and then use their experiences as the inspiration for creative works, including sketching, painting, writing, photography—any medium that will allow youth to express their knowledge creatively!

The contest is open to all youth ages 19 years of age and younger. The contest runs from April 22, 2010 to May 28, 2010. Contest Entry Forms can be found at www.gettoknow.ca.

2010 marks the **10th anniversary** of this exciting contest in Canada, as well as International Year of Biodiversity. Youth participants will be able to work on art, writing, and photography entries for the contest during this event while celebrating Earth Day!
