Native Prairie Speaker Series

Hosted by the Prairie Conservation Action Plan

Ecology and Economics of Riparian Areas on the Prairies: What we know and what we don't!

Speaker:

- **Etienne Soulodre**, P.Ag., Range Agrologist – Saskatchewan Watershed Authority

You are invited to join us at the Royal Saskatchewan Museum Auditorium (corner of Albert St. & College Ave.) in Regina on **Tuesday, March 16, 2010** from **12:10-12:50 pm** to hear **Etienne Soulodre** speak about the ecology and economics of riparian areas on the prairies. If you are interested but unable to attend, the presentation will be broadcast live at www.ustream.tv/channel/native-prairie-speaker-series or can be viewed on the PCAP website at www.pcap-sk.org.

Parking and Speaker Series are free.
We look forward to seeing you there!
