School of Environment and Sustainability Program Open House

SENS invites students and professionals to join us and learn about our innovative one-year masters programs geared towards careers in environmental management, sustainability and water security. Information on our thesis-based programs will also be available. The doors open at 4:30 p.m. and the presentation starts at 5:00 p.m. providing time for conversation between interested applicants and various people with SENS before and after.

Tuesday, November 7

4:30 p.m. - 6:30 p.m.

Agriculture 5C61, 51 Campus Drive
University of Saskatchewan

Pizza and refreshments will be served

**RSVP by November 3 to Andrea Eccleston,
(306) 966-8755 or andrea.eccleston@usask.ca**
