Education for Sustainable Development Recognition Award Application

The 2021 Awards Ceremony will be a virtual event on Wednesday, May 12, 2021.

Application deadline, March 31, 2021.

Who may apply: Applications may be submitted by individual(s) or organization(s) who believe(s) the project is worthy of recognition.

Application deadline: midnight March 31, 2021.

- Send applications to rcesk.event@gmail.com. Confirmation of receipt will be sent within three days.
- Submissions will be adjudicated in early April. All applicants will be contacted the third week of April.
- All applications received will also be considered for the Lyle Benko Future Generations Award (for achievement in the K-12 system) and the Garth Pickard Award (for achievement in the post-secondary sector).

Help completing this form:

- Please refer to the Application Guide. *Remember to focus on the **educational** elements of your project.*
- Applicants are encouraged to fill in this form electronically. If submitting handwritten applications, please do not limit yourself to the space provided. Additional sheets are recommended.
- Low resolution photos, supporting documents or a link to on-line content are welcome, but not required. Please limit the size of the file you are sending. **Submitted application forms, photos and supporting material may be publicized or shared unless requested otherwise.**
- If you have any questions, contact the Event Coordinator at rcesk.event@gmail.com.

Section 1: Applicant Information

Name of project:			
Lead organization or individual:			
Project team members (if applicable):			

Main contact person:	
Phone:	Email:
Address:	
City/Town:	Postal code:
Online addresses (web, Facebook, twitter, etc.)	
May we post a link from our website to your project? Yes No	
Are you including photos and/or supporting material with your submission? Yes No If yes, please list:	
May we publish your application, photos and supporting material? Yes No	
May we publicly publish photos of your participation at the Awards? Yes No	
If your application is successful, what project title would you like on the certificate and program? Max: 10 words.	
Previous recipients may receive recognition again if significant accomplishments have been achieved . Has this project previously been recognized by RCE Saskatchewan? If so, when?***	

Section 2: Education for Sustainable Development Project Description

Briefly describe your project (200 words or less).

How did your project include Education for Sustainable Development? Please indicate which approaches apply:

Formal education system

- School system, including kindergarten to high school
- Technical institute
- College or university

Non-formal education

- Education, training or public awareness by a community-based organization
- Education, training or public awareness by a business

Informal education

- Aimed at a general public audience
- Social media & other media (radio, television, newspapers & film, etc.)
- Events with an educational element

Workshops

Presentations

Hands-on learning

Communications materials (written, audio, visual, etc.)

The project motivated and/or empowered participants to change their behaviours.

The project motivated and/or empowered participants to act.

The project promoted critical thinking about a sustainability topic.

The project involved collaborative decision making.

Other:

At whom were the educational aspects of your project directed?

(For example: farmers, citizens of our town, grade 6 students, consumers, engineers, general public, university students, etc.)

What did people learn about sustainability from your project?

Which of the UN's 17 Sustainable Development Goals does your project support? Indicate those that apply:
More details on the Sustainable Development Goals are available at: <https://sdgs.un.org/goals>.

1. **No Poverty:** end poverty in all its forms everywhere by 2030.
2. **Zero Hunger:** end hunger, food security, improved nutrition and sustainable agriculture.
3. **Good Health and Well-Being:** healthy lives and promote well-being for all at all ages.
4. **Quality Education:** inclusive and quality education for all and lifelong learning.
5. **Gender Equality:** gender equality and empower all women and girls.
6. **Clean Water and Sanitation:** access to safe water sources and sanitation for all.
7. **Affordable and Clean Energy:** affordable, reliable, sustainable and modern energy.
8. **Decent Work and Economic Growth:** inclusive and sustainable economic growth & employment
9. **Industry, Innovation and Infrastructure:** resilient infrastructure & sustainable industrialization
10. **Reduced Inequalities:** reduce inequality within and among countries.
11. **Sustainable Cities and Communities:** make cities inclusive, safe, resilient and sustainable.
12. **Responsible Consumption and Production:** ensure sustainable consumption and production patterns.
13. **Climate Action:** take urgent action to combat climate change and all its impacts.
14. **Life Below Water:** conserve and sustainably use the ocean, seas and marine resources.
15. **Life on Land:** halt and reverse land degradation & biodiversity loss.
16. **Peace, Justice and Strong Institutions:** promote just, peaceful and inclusive societies.
17. **Partnerships for the (Sustainable Development) Goals:** revitalize partnerships for sustainability.

Describe how your project supported the Sustainable Goals that you checked off above?

What has your project accomplished so far?

If this project previously received an RCE Recognition Award, have significant milestones been accomplished since the last award? Please describe the evidence of the accomplishments (i.e. increase in number of visits, media hits, etc.).

Do you have any additional information that you wish to share regarding your project?

Section 3: Building Capacity for Sustainable Development

Answer those questions which are relevant to your project. Not all questions may apply to your project.

Which communities were involved in this project?

Did your project improve the community? Which groups and individuals in your community will benefit from those improvements?

How were people encouraged to participate? How was their participation recognized?

How did the project involve people typically excluded from decision-making, such as youth, minorities, marginalized individuals, seniors etc.

How did you make sure that the project was well organized and that everyone involved was well informed?

What do you see as the potential long-term impacts of your project? What else do you expect to accomplish?

Did you learn anything unexpected from your project?

How did you, or will you, share new knowledge gained from your project?

Did your initiative generate any spin-offs, such as innovations or related projects?

Do you have other information about how your project builds capacity for sustainable development?

Please submit your application to rcesk.event@gmail.com by midnight March 31, 2021.

Please feel free to also submit supporting photos and documentation,
as well as links to relevant on-line information.

Please do not send very large files as our email capacity is limited.
